## MISSION STATEMENT

LesPlan Educational Services Ltd. aims to help teachers develop students' engagement in, understanding of, and ability to critically assess current issues and events by providing quality, up-to-date, affordable, ready-to-use resources appropriate for use across the curriculum.

I have had many parents comment to me about how great they think *What in the World?* is, and they look forward to each month's issue coming home... This is a great resource for a small country school to explore the global issues that affect us all.
