MISSION STATEMENT
LesPlan Educational Services Ltd. aims to help teachers develop students’ engagement in, understanding of, and ability to critically assess current issues and events by providing quality, up-to-date, affordable, ready-to-use resources appropriate for use across the curriculum.

I have had many parents comment to me about how great they think What in the World? is, and they look forward to each month’s issue coming home... This is a great resource for a small country school to explore the global issues that affect us all.

When I have kids in grade 4/5 wanting to know when the next issue is coming, even in December and June, that’s when I know I have an excellent resource.

A. Eisler, Burnaby, BC

It is a relief to have a resource that fits with the curriculum and is teacher-friendly (ready to hand out). The added bonus of having the answers to the questions and discussion notes makes my life just a little bit easier.

B. Thibodeau, Saskatoon, SK

I have been using your product for seven years. There isn’t a month that goes by that I don’t get into challenging discussions with my students with the leads you provide and go in directions I could never imagine. Thank you for this terrific teaching aid!
