This theme-based resource examines Canada's colonial history and its impact on Indigenous Peoples through the lens of current events. Articles paired with background information build the understanding that is a key first step on the road to reconciliation, while lesson plans that reflect the First Peoples Principles of Learning encourage students to adopt a respectful, reflective, empathetic, and inquiring frame of mind.

*I enjoy the Building Bridges publications because they provide me with relevant, reliable and authentic information I can share with my students.*

**L. Ikeda, Coquitlam, B.C.**

*I love using Les Plan Building Bridges curriculum. The guide for conducting a listening/speaking circle is invaluable - my students were drawn in to the class community effortlessly. The lessons are thorough and easy to follow. The stories are touching and provide a conduit into the lives of Indigenous Peoples and their true history. Thank you for this amazing resource provided in both French and English.*
