This theme-based resource examines Canada's colonial history and its impact on Indigenous Peoples through the lens of current events. Articles paired with background information build the understanding that is a key first step on the road to reconciliation, while lesson plans that reflect the First Peoples Principles of Learning encourage students to adopt a respectful, reflective, empathetic, and inquiring frame of mind.

I enjoy the Building Bridges publications because they provide me with relevant, reliable and authentic information I can share with my students.

"Best teaching practice" is incorporated into the thoughtful lessons and content of this excellent resource, which focuses on exploring Indigenous issues. Extremely useful!

L. Ikeda, Coquitlam, B.C.

I love using Les Plan Building Bridges curriculum. The guide for conducting a listening/speaking circle is invaluable - my students were drawn in to the class community effortlessly. The lessons are thorough and easy to follow. The stories are touching and provide a conduit into the lives of Indigenous Peoples and their true history. Thank you for this amazing resource provided in both French and English.
